Homework Time and

Play Time Provided

SMM+ provides homework time of half an hour for students in 2nd -3rd grades, and an hour of time for 4th–8th graders. We encourage the students to read if they finish before the allotted time.

SMM+ provides fun activities: coloring, books, puzzles, board games, movies, Xbox, toys (Lincoln Logs, Imaginex, Pet Shop, Legos, Tinker toys), dolls and a fully stocked play kitchen. Group activity game equipment and the green field and playground are also available where students can play with friends.

Students may bring play clothes to wear with school athletic shoes. A healthy snack is provided around 4:00 pm. No aftercare personnel is allowed to take your student off school property. In the case of an illness or emergency parents will be notified immediately.

SMM+ will not be in session on school holidays/vacation days. Also, any school day where dismissal occurs early, before a vacation period, there will be no aftercare. Please refer to the school calendar on the Plus Portals for all closings.
